SIDEWALK ORDINANCE NEEDED

City Council Should Regulate Conditions in the Loop.

The City Council should pass an ordinance prohibiting people from loitering on the sidewalks in the Loop. Pedestrians should be compelled by law to keep to the right. As things are at present, without any sort of regulation, some of the down town streets are almost impassable.

EAGLETS.

John T. Murray, the well known and popular lawyer, would make a good judge.

John McGillen's big army of friends and admirers are a unit in their desire to see him represent the North Side in the Democratic National Convention.

Sheriff Charles W. Peters has conferred a favor on all law-abiding citizens, wet and dry, by cleaning out the blind pigs in the county towns.

John Powers has always served the people well as alderman from the Nineteenth ward.

William Wrigley, the popular gum manufacturer and public-spirited citizen, will be one of the delegates to the Republican national convention from the north side.

C. B. Willey, president of the big C. L. Willey Company, is one of the solid men of Chicago. He is patriotic, progressive and public spirited.

Coroner Peter M. Hoffman, always just and honest in his public life, is a man in whom the people have confidence.

Paul H. Wiedel, the efficient and popular chief clerk of the county assessor's office, wins praise from the public and officials alike for his courtesy and ability.

Francis J. Dewes, the well known brewer, was the man who presented the magnificent statue of Alexander Von Humboldt to Humboldt Park, which was named for him. This statue is one of the finest in the whole West Park system. Mr. Dewes, who gave it to the public, has been a resident of Chicago since 1888. He has always been noted for his artistic tastes and his beautiful residence on Wrightwood avenue bears evidence of it. The stone figures on its front which attract the attention of passers-by were the work of noted sculptors who carved them in their present position from great blocks of stone built into the house when it was erected.
